

Let us pray :

We fold our hands and bow our heads, and thank you Lord for many things.

for daily bread,
for family,
for home, and
for friends.

On this special night, we especially thank you for bringing us together, a family of Scouts, as we celebrate the accomplishments of the Cubs of Pack 71.

Our Heavenly Father, we ask Your blessing on the families, and the leaders in our Cub Pack. We ask for special blessing on each Cub Scout and Webelos Scout. Guide their steps as they continue to grow and learn. Help them as they do their duty to You and to their Country. And now, Holy Father, we ask that you Bless the food we are about to eat, and also the people who have prepared it for our banquet tonight. We pray that it would give us the strength to do what is right, and what adds glory to Your Holy Name. Amen
