

Please Stand for the Invocation

Let Us Pray :

Gracious God,, we stand before you tonight, **in awe** of your **magnificent** glory. We thank-you for bringing us together as a family of Scouts, gathered to celebrate the accomplishments of **Name** in attaining the rank of Eagle. We ask that you would bless this young man, his family, and the Scouts, Leaders, and Guests who are assembled here.

We thank-you for the food that we are about to eat.

And, Father, we ask for your continued guidance for all the Scouts of Troop xx. Give our Leaders, we pray, the patience and wisdom to guide each Scout on life's pathway.

We thank you for hearing our prayer tonight, for we offer it in the name of our creator, Our God. Amen.
